MEMORANDUM FOR: The Honorable Kenneth Rush
Deputy Secretary of Defense

SUBJECT: Submission of a National Intelligence
Program Memorandum

1. I am enclosing a copy of a National Intelligence Program Memorandum, which, under separate cover, I have forwarded to the President through the Director, Office of Management and Budget. This is in response to the President's instructions incorporated in his memorandum of 5 November 1971.

2. In view of the unusually sensitive contents, I would be grateful if you would give it limited distribution within your staff. I assume you will share this copy with Al Hall.
